OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 16 January 1962

25X1 1. [] - GLC) [] advised that per our 25X1
arrangement he met with the four individuals referred to us by Mr. Mace
25X1 Broide, in the office of Senator Vance Hartke. The meeting was held
25X1 at 3:00 P.M. yesterday. [] said that the group (particularly
[] were most unhappy as a result of their meeting with State
Department earlier in the day. He said [] called the White House 25X1
from his office and ostensibly made an appointment with Pierre Salinger
complaining about the State Department's attitude with respect to [] 25X1
He said his meeting with the group was satisfactory and they appeared
to welcome the opportunity of talking with an Agency representative.
25X1 [] merely told the group that he would see that their proposal
was passed on to appropriate people here.

25X1 3. [] - GLC) Talked with Jim Hyde's office (BOB)
concerning the letter we had received from Representative Jack Westland
regarding a report from the Agency on H. R. 1845, Westland's proposal
for a Freedom Academy. (HCUA requested a report from us on this bill
last year and our reply has been in suspense pending BOB's approval of
our proposed report on a similar Senate bill, S. 822) Hyde's office indicated
that this matter still has not been resolved with the White House and Agency
reports submitted to BOB still have not been cleared. Mr. Hyde is to call
us back to provide guidance.

25X1 4. [] - JGO) Delivered to Mr. James J. Gehrig, in the
office of Senator Stuart Symington (D., Mo.), a blind memorandum dated
15 January and entitled Estimates of Soviet Heavy Bomber and Tanker
Strength Since 1956. A document receipt was obtained.

25X1 5. [] - JGO) Delivered to Miss Maureen Dantzic,
Senate Armed Services Committee staff, 50 copies of Mr. McCone's
